STYLE GUIDE

PRIMARY LOGO

The logo consists of the word "THE" in a tall, condensed, sans-serif font, followed by a vertical bar, and then the word "OVERLOOK" in a larger, all-caps, sans-serif font.

The OVERLOOK primary logo has been carefully crafted; do not alter it in any way. The logo should never be stretched or disassembled. It should always maintain the same proportions.

To ensure a cohesive brand, the primary logo should be used on all external facing materials (i.e Website, business cards, eblasts etc.).
